Dear AME Members:

We welcome this opportunity to re-introduce **PerksCards**.

Since 1988, PerksCard has been saving money for members and employees whose employers are its clients. More than 1,000 major corporations, colleges, alumni associations, and other affinity groups have taken advantage of the many benefits and savings offered by the PerksCard Network. Currently, there are millions of individual cardholders who personally benefit from the savings that PerksCard offers. These members are able to access discounts from a growing base of thousands of local and national merchants.

The PerksCard Program is relatively simple. PerksCard creates a program wherein the members of the Suffolk County Association of Municipal Employees will receive discounts from local businesses. As part of their program, businesses, like restaurants and gyms agree to offer customer discounts to all those who hold a PerksCard.

Also enclosed is your **AME Membership Card** which entitles you as a Union member access to other discounts offered by local merchants. In this time of economic recession AME seeks to utilize its relationship with our local business community to provide the best discount offers to our membership.

We hope that you will patronize the local businesses who have registered their companies to honor discounts for AME members and their families. Together, we can make a difference.

Unity wins,

Cheryl A. Felice  
President

**Please Note: Medical providers in the PerksCard Plan may not be in the EMHP Network.**

Some of the many businesses in the PerksCard Network
